MAIN FACS UNAVAILABLE – RMDS REPORT RUN

On Saturday, November 8, 2008, MAIN FACS onlines will not be available at 7 a.m. because month end and year end reports are being run in one batch run. Estimated time of SMPCICS availability is 8:30 a.m.

RMDS will be available as usual. Monthly reports will be generated first and then yearly report will be available later in the morning or by 12 noon. If you are trying to access specific yearly reports of this date, please keep refreshing the report list.

MAIN FACS ENHANCEMENTS – DOCUMENT RECORD INQUIRY SCREEN (S064) POSTING PROGRAMS

The following MAIN FACS enhancements will be in production on Thursday, November 20, 2008:

The software programs that control posting to the Document Record Inquiry Screen (S064) have been modified to issue the appropriate errors when users attempt to liquidate a document for an amount that is greater than its balance.
